About Us

Any organization needs efficient storage systems since they make it easier for businesses to organize and manage their inventory. SCI Storage Solution fills this demand by offering a variety of storage products & systems to satisfy the requirements of various sectors. Established in 2013, we are a Thane, Maharashtra-based manufacturer and supplier of Metal Pallet, Double Deep Pallet Racking, Cantilever Rack and other products. Our company creates storage equipment that is dependable, long-lasting, and is made with the best materials possible using sophisticated production techniques. To guarantee that our designed systems uphold the highest standards of quality and safety, they are made to undergo extensive testing. We are supported by a sizable storage area, which enables us to organize the storage of our products and effectively meet client demands.

Over the years, we have been committed to providing exceptional customer service in order to enhance the experience of our customers. We offer comprehensive support throughout the entire process & make sure that the queries of our customers are solved on time. Furthermore, we also make sure to offer our customers a transparent experience by implementing an ethical and honest business approach.
