## About Us

Best of storage, network and power solutions is the prerequisite of many modern industries today. In fact, without these facilities, many industries would become handicap and fail to function efficiently. Our company, HKTECH Industries, working as a manufacturer and exporter of these solutions bridge the gap between the demand and supply of such network, storage and power products with ease. For creating products like PC Ubon Model Charger Cabinet, 4U Wall Heavy Mount Rack, Rubber Grommet Protection, Folding Wall Mount Racks and Power Distribution Unit (5-15 Amp 6 Socket PDU, Mount Server Rack, 5Amp 3 Socket PDU, etc.), we recruit a team of specialists including engineers and designers possessing expertise and proficiency in designing such products in tailor made specifications. They have necessary skills required to engineer products that are made to align with specific requirements of patrons.

Under the guidance of Mr. Kamaldeep Singh (Proprietor), we are catering to all industries and meeting needs of various applications, both large and small today. He leads the way showing us how we can configure and build exemplary solutions suiting specific needs and requirements of modern day clients.

Key Facts

|                             |                 |
|-----------------------------|-----------------|
| No of Staff                 | 15              |
