About Us

With cutting edge technology, state-of-the-art infrastructural facilities and industry leading qualitative practices, we, DAS Electronics, have established a most reputable position in this competitive market. We are renowned manufacturer, exporter, supplier and service provider of Ferrous Metal Detector, Pharma Metal Detector, Tablet/Capsule Metal Detector, Inclined Stand Metal Detector, Stainless Steel Metal Detector, X Ray Inspection System, Non Ferrous Metal Detector etc. These products are acknowledged by our valued clients for their superior monitoring performance. We pack these devices effectively and deliver it on time and at highly competitive prices. Owing to all these factors we have obtained a large client network in the countries like Bangladesh & USA.

We have carved a niche as one of the major manufacturers, exporters, suppliers and service providers of Ferrous Metal Detector, Pharma Metal Detector, Tablet/Capsule Metal Detector, Gravity Metal Detector, Inclined Metal Detector, X Ray Food Inspection Machine, Food Metal Detector, Tablet Metal Detector, Capsule Metal Detector, Non Ferrous Metal Detector, etc. We are an India based company having wide distribution network in Bangladesh & USA. We have developed two fully fledged production units that help us in the construction of high technology products that provide the clients with accurate results. All our products are stored in a huge warehouse to ensure their safety and security.

Our Products

Jumbo Bag Metal Detector

Healthcare Product Metal Detector

Wood Metal Detector

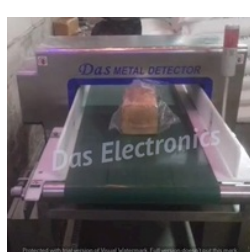

Needle Metal Detector

Incline Type Metal Detector

Metal Detector For Stone Crusher

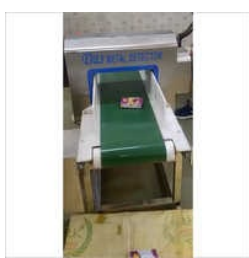

Stainless Steel Metal Detector

Electronic Metal Detector

Bag Metal Detector

Square Pulse Metal Detector

Gravity Feed Metal Detector

Foil Metal Detector

Inclined Stand Metal Detector

Conveyorised Metal Detector

Industrial Metal Detector

Meat Food Metal Detector
