PROFILE

We, “**Western Surgical**”, are one of the leading **ISO-9001 & ISO 13485 certified** manufacturers and suppliers engaged in offering wide assortment of **Surgical Equipment**. These products are widely acknowledged for their high durability, reliability, longer functional life, corrosion & abrasion resistance. Our entire product range is manufactured using quality-approved raw material and high-tech machines to ensure its flawlessness. The capacious warehouse and wide distribution network allow us to meet the urgent and bulk requirements of our clients within the stipulated time frame.

Owing to their superior quality and high tensile strength, these products are widely demanded in various application areas like medical institutes, clinics, dispensaries, laboratories and nursing homes. Our staff helps us in fabricating the products in compliance with pre-determined national and international industrial standards. We have an excellent team of researchers, which helps us in upgrading the existing range of products.

Under the profound leadership of our mentor, '**Mr. Manish vyas**', we have established a huge client base across domestic markets as well as export market covered by our dealers. His excellent managerial skills have enabled us to develop healthy business relations with our clients.
