About Us

S.S. Platinum is a part of S.S. Traders (SS Group) working as a proud Indian crafters & designers of fine Platinum jewelry. We are one of the leading Platinum Jewellery Manufacturers in Mumbai - India solely engaged in crafting Platinum jewelry. We are one of a major companies selling Platinum jewelry that King Arthur described as "the only metal fit for the Kings to wear". It is a high-quality metal has its own moods that make certain demands on the skills and talent of the jewellers that we have gain mastery over. With dedication towards Platinum jewelry, we have been making a complete range of Platinum jewelry such as Platinum Bracelet, Couple Pendant, Designer Platinum Earrings, Platinum Handcrafted Couple Ring and more.

We have attained expertise in the last 10 years in the domain of customization. Platinum is one of the best metals that appeals to people looking for rare, pure & timeless products. They are the perfect gift for everyone as they are the combination of quality and uniqueness. We always work hard to bring the perfection to life of our customers.
