

FLAMEPROOF LEVEL SWITCHES

Exporter, Manufacturer & Supplier

3 Point Flexible Level Switch, 90 Degree Level Switch, Acrylic Body Rotameter, Adjustable Level Switches, Bicolor Level Gauge With Transmitter, Bimetallic Temperature Gauge, Cable Float Switch, Capacitance Level Transmitters, Capacitance Type Level Switch, Capacitance Type Level Transmitter, Capillary Type Temperature Gauge, Conductive Liquid Level Probes, Conductivity Level Sensor, Digital Display Temperature Controller, Dipstick Level Gauge, etc.

MINIATURE LEVEL SWITCH

SIDE MOUNTED LEVEL SWITCH

About Us

With a high-qualified team of devoted professionals and R&D engineers, we, D. B. Instruments & Controls, have been able to provide world-class range of products as per the specified requirements of the valued clients. We are known as a renowned manufacturer, exporter and supplier of Level Instruments, Encompasses Level Instruments, Magnetic Level Indicators & Switches, Level Transmitters, Float Operated Level Transmitter, Ultra Sonic Level Transmitter, Cable Suspended Float Switches, Capacitance Type Level Transmitters many more. These products are made using finest raw materials that are procured from reputed vendors of the market.

Our core competency relies on delivering our products conforming to the international standards of quality and related norms. We strictly follow a well established Quality Management System. Our proficient team of quality inspectors who keeps a strict watch on each stage starts from the procurement of raw materials till the final delivery of the instruments. These inspectors work in close co-ordination with our engineers and electronic experts to ensure that we produce flawless range of instruments.

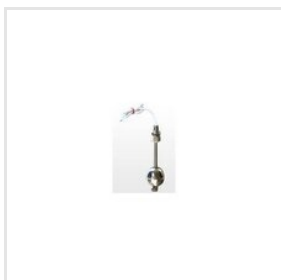

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	cable float switch,float switches,float sensor,magnetic float level switch,magnetic float switches,float sensor,magnetic float sensor,cable float level switch,cable float switch,paddle flow switch
No of Staff	25
Year of Establishment	2007
OEM Service Provided	No
ProductRange	cable float switch,float switches,float sensor,magnetic float level switch,magnetic float switches,float sensor,magnetic float sensor,cable float level switch,cable float switch,paddle flow switch

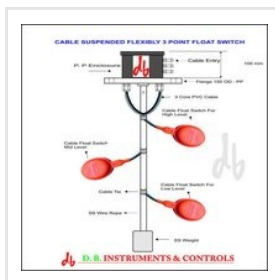

Our Products

**Side Mounted
Microswitch Operated**

Liquid Level Switch

3 Point Flexible Level Switch

Top Mounted Level Switch

**Level Switch With
Inbuilt Relay**

**Top Mounted Guided
Float Level Switch**

**Capacitance Type
Level Switch**

**Top Mounted Liquid
Level Switch**

Vertical Level Switch

Fluid Level Switch

**Adjustable Level
Switches**

**Top Mounted Level
Switch**

90 Degree Level Switch

**Flameproof Level
Switches**

**Top Mounted Level
Switches**

**Flame Proof Side
Mounted Level**

ADDRESS

**401, Purushottam Co. Op. HSG
Society LTD., L.T Road, Dahisar
West, Mumbai, Maharashtra,
India (400068).**
