About Us

Luxica Pharma Inc. is an integrated pharmaceutical company that believes in being professional at work. The professionalism of our workers can be witnessed in our every business operation conducted by them. As a manufacturer and exporter, we through our R&D bring the best solutions to the table that contributes in making our pharmaceutical industry more sustainable. Our extensive range of products include but not limit to Ointments, Creams, Lotions, Gels, Shampoo, Toothpaste, Mouthwash, Gum Paint, Cough Syrups, Oral Drops, Nasal Spray, Tonics, etc. Apart from this, we also render third party manufacturing services and pharmaceutical contract manufacturing services to our customers with the vision of rendering only the best to millions. The success of our company is an outcome of the dedication of our employees who consistently make efforts to move our pharmaceutical value chain for products at higher level and our services across the geographies. Our aim is to promote a culture of innovation by investing in several growth platforms.

At Luxica Pharma Inc., it is a constant endeavor to not only update the existing production processes, but all other business operations for enhancing the quality at all levels. The base of our company is situated in Bharuch (Gujarat, India) from where we try to improve our products and processes so that we can build value for our customers. It has been more than seventeen years of our continuous efforts that we are known as the top manufacturers and exporters of Clobetasol Cream, Methyl Salicylate & Menthol Gel and various other pharmaceutical products. We serve our clients with contract pharmaceutical manufacturing.
