About Us

Carpet weaving is a part of Indian tradition. Owing to the Mughal Dynasty, Indian Carpet Industry has become popular ever since. The carpet weaving techniques were brought by Mughals from Persia to Indian. Since then, carpet weaving has become a legacy running through generations of artisans who follow those techniques to bring forth the same beauty in their woven carpets in this modern era. To bring into limelight that enormous glory and beauty of carpets along with the skills of artisans, we, Artline Creation, have entrenched our roots in the Indian Carpet Industry.

As a manufacturer, we have gathered a team of artisans who are well-known for their creative minds, skills and experience. The aim of our company is to suffice the increasing orders of our customers for our exquisite line of carpets. Hand Woven Woolen Pile Kilim, Hand Tufted Woolen Carpets and Hand Knotted Viscose Carpets and Hand Woven Jute Rug are a few of many carpet varieties that we offer to our customers. As we have a long list of clients, fulfilling their requirements by understanding their needs is the best we aim to do, thereby, delivering them the carpets of their choice and achieving complete customer contentment.
