About Us

We, Excella Electronics, specialize in manufacturing and exporting a wide range of Motion Control Products and Elevator Automation Products. Digital Instruments, SMPS, Electrode, Sensors, Elevator Panels and Elevator Accessories, are a few of our most popular products. Guided by our mentor and CEO, Mr. Kedar Kothari, we have been excelling in the global market as a manufacturer and exporter. It is because of his counsel and our unwavering focus on teamwork and continuous improvement that we have managed coming up with solutions that always surpass the expectations of our customers in terms of quality, technology and value. Moreover, it is because of his in-depth experience that we have attained such a tremendous growth.

Core Values

To achieve high customer retention, employee satisfaction and rapid growth, the employees of our company have been adhering to our business values. The following values also empower us to experience even better results:

- ✿ **Quality:** To keep the quality standards of our Digital Instruments, Elevator Accessories and other products unmatched, we focus on every minute detail.
- ✿ **Integrity:** We are a company of our words and always stand by the promises we make to our customers.
- ✿ **Sustainability:** We strive day-in and out for minimizing the carbon footprint on the planet by properly optimizing our resources.
- ✿ **Innovation:** We keep innovating our products for enhancing the lifestyle of our customers.
- ✿ **Efficiency:** We relentlessly work for making timely deliveries of our orders to our esteemed customers.
- ✿ **Teamwork:** Leveraging on the skills, unity and knowledge of our team members, we continue to attain the best results in every business aspect.
- ✿ **Excellence:** We aim to excel in everything that we do, be it manufacturing, supplying or exporting our orders.
- ✿ **Customer First:** The satisfaction of our customers always takes precedence over profit.

Our Products

Rate Indicator

DC-DC Converter

SMPS Based Battery Charger

Switch Mode Power Supply

Hollow Shaft Encoder

Spiral Bellow

Inductive Proximity Sensors

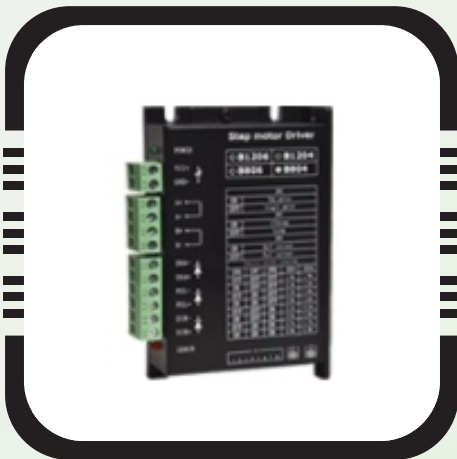

Safety Light Curtains

Miniature DC Motors

Stepper Motor Controller

Stepper Motor Drive

Brushless DC Motor And Controller

PMDC Motor

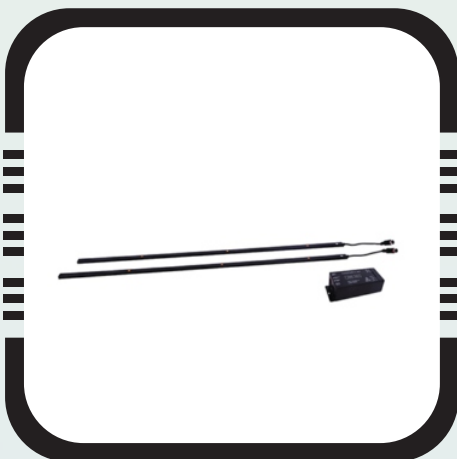

FHP AC Induction Motor

AC Tachogenerators Transducer

Discharge Electrode (Antistatic Bars /Sandwich/Ring/Nozal)

Elevator Door Detector Sensor

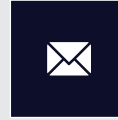

Elevator Rotary Encoder
