About Us

We, Excella Electronics, specialize in manufacturing and exporting a wide range of motion control products and elevator automation products. Digital instruments, SMPS, electrode, sensors, elevator panels and elevator accessories, are a few of our most popular products. Guided by our mentor and CEO, Mr. Kedar Kothari, we have been excelling in the global market as a manufacturer and exporter. It is because of his counsel and our unwavering focus on teamwork and continuous improvement that we have managed coming up with solutions that always surpass the expectations of our customers in terms of quality, technology and value. Moreover, it is because of his in-depth experience that we have attained such a tremendous growth.

Blessed with zealous and diligent distributors, regional manager, sales executives, administrators, engineers, production personnel, accountants and quality analysts, we, Excella Electronics, have been fulfilling the requirements of our valuable customers. Leveraging on state-of-the-art technology, we continue to enhance our sales of elevator accessories, digital instruments, sensors, etc., while minimizing cost of business.

Key Facts

No of Staff	52
Year of Establishment	1966
No of Production Lines	2
OEM Service Provided	No
Memberships	ISO 9001 : 2015 ISO 14001 : 2015 ISO 45001 : 2018

Our Products

AC Tachogenerators

Hybrid Stepper Motor

Safety Light Curtains

Spiral Bellow Couplings

Inductive Proximity Sensors

Stepper Motor

Brushless DC Motor And Controller

PMDc Motor

Hollow Shaft Encoder

SWITCH MODE POWER SUPPLY

DC-DC Converter

FHP AC Induction Motor

Static Eliminators

Stepper Motor Drive

Miniature DC Motors

Stepper Controller
