About Us

We, Pusaan Automation Private Limited, are a professionally managed and one of the renowned companies in the field of welding equipment. Working with cutting-edge international technology and more than one decade experience in the fabrication of welding machines, we are considered as one of the prominent Manufacturer & Supplier of welding & cutting equipment. We have hands-on experience in the fabrication, installation, repairing and servicing of Pipe Cutting Machine, Portable Cutting Machines, Cutting Consumables, Welding Machine and more. The offered machines are best known for their easy operation ability, fast production rate, sturdy design structure and long working life. Established in the year 2006, we have associated with world leaders in the business of Welding equipment i.e. China, Australia, Germany, Italy, and Japan. They assist us in technology and aid us in developing the offered range more efficiently.

Located at Faridabad (Haryana), we, Pusaan Automation Private Limited, have a wide presence in Indian market with our because of our highly reliable and efficient cutting and welding machinery. The Idea of starting a new business as the supplier of welding and cutting machinery came when we started the fabrication of this machinery for installing them in our own plants at Ghaziabad and Greater Noida. With our wide steel fabrication experience and technical expertise, we are developing the products efficiently and offering clients a cost-effective range Saw Welding Machine, Cutting Consumables, Cutting Machine, Welding Machine. Due to our innovation, clients focus approach and continual improvement, we have gained a wide recognition in the market and considered as a leader in this field.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	laser welding machine,cnc plasma cutting machine,cnc laser cutting machine
No of Staff	26
Year of Establishment	2008
OEM Service Provided	No
Monthly Production Capacity	As Per Customer Requirement
ProductRange	laser welding machine,cnc plasma cutting machine,cnc laser cutting machine

Our Products

PAG Machines

Light Gentry

Air Plasma Cutting Machine

Profile Cutting Machine

Plasma Cutting Nozzles

Plasma Electrode

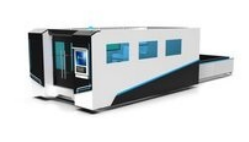

Pipe Cutting Machine

CNC Plasma Cutting Machine

Pug Plasma Gas Cutting Machine

Laser Cutting Machine

Fiber Laser Cutting Machine

Manual Plasma Cutting Machine

Gantry Flame With Plasma

Portable Flame With Plasma Cutting

Metal Laser Cutting Machine

Portable Flame Cutting Machine

ADDRESS

**Mustkil no-33, Kila no 10/2, Sikri,
Piyala Road, Sikri Industrial Area,
Faridabad, Haryana, India
