RASHMI STEEL HEAVY DUTY RACKS

INDUSTRIAL HEAVY DUTY RACKS

About Us

The idea to make industrial storage space-efficient made Mr. Rajeev Kumar establish Rashmi Enterprises in the year 2010. We are considered an ideal partner for small to large scale companies serving in Electrical, Electronics, Education, Automobile, Packaging, Chemical, Furniture, Healthcare and numerous other industries because we create compact Racks, Lockers and Storage Systems in sturdy and durable materials. Our range encompassing Pallet Storage Racks, Steel Heavy Duty Racks, Slotted Angle Storage Racks, Pigeon Hole Storage Racks, Library Storage Racks, Mobile File Storage Compactor, to name some storage essentials are useful for safekeeping products. Through our creations, we help our customers in making an organized working environment. Having great knowledge of office space management, we come up with different dimensions, designs and functionalities of open and closed storage systems. In addition to storage systems, we specialize in developing Material Movement Trolley and Mezzanine Floor.

Designing and developing commercial storage and material handling systems has been possible for our company only with the support of our smart team and robust production facility. We have talented engineers and other professionals to come up with better designs and functionalities of racks and many more storage systems. They keep the factor of space in view while developing storage products and ensure only solid and lasting structures are developed. The entire collection of Pallet Storage Racks, Slotted Angle Storage Racks, Steel Heavy Duty Racks, Pigeon Hole Storage Racks and more storage essentials is manufactured at our production house at Pune, Maharashtra (India) using hi-tech machines.
