

TRUST IN
QUALITY
WITH US

WHO WE ARE?

**Started in 1998 at
Ahmedabad – Gujarat**

**Managed by young,
skilled and experienced team**

MANUFACTURER | SUPPLIER | EXPORTER

MILESTONES TO SUCCESS

1997

Started as spares and service provider of Diamond Cutting Machine, Engraving Machine, and Marking Machine etc.

1999

Designed and Developed basic parts such as R.F., Power Supply, CNC Controller, Mount Rail, XYZ Positioning table, software etc.

2001

Started Manufacturing of Diamond Laser Cutting Machine

2005

Started Manufacturing of Fiber Laser Marking Machine & Micro Machining etc.

2010

Set up New Manufacturing Plant for Diamond Cutting Machine in Surat.

2013

Started Designing and Survey of Fiber Laser Cutting Machine.

2015

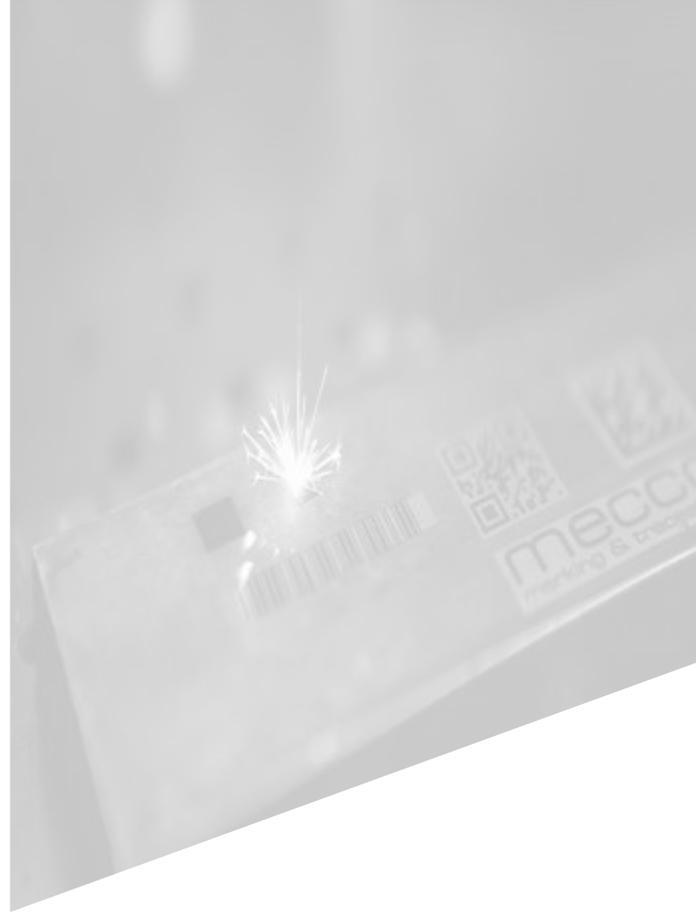

Started manufacturing of Fiber Laser Cutting Machine & setup our new plant at Bakrol-Ahmedabad

2019

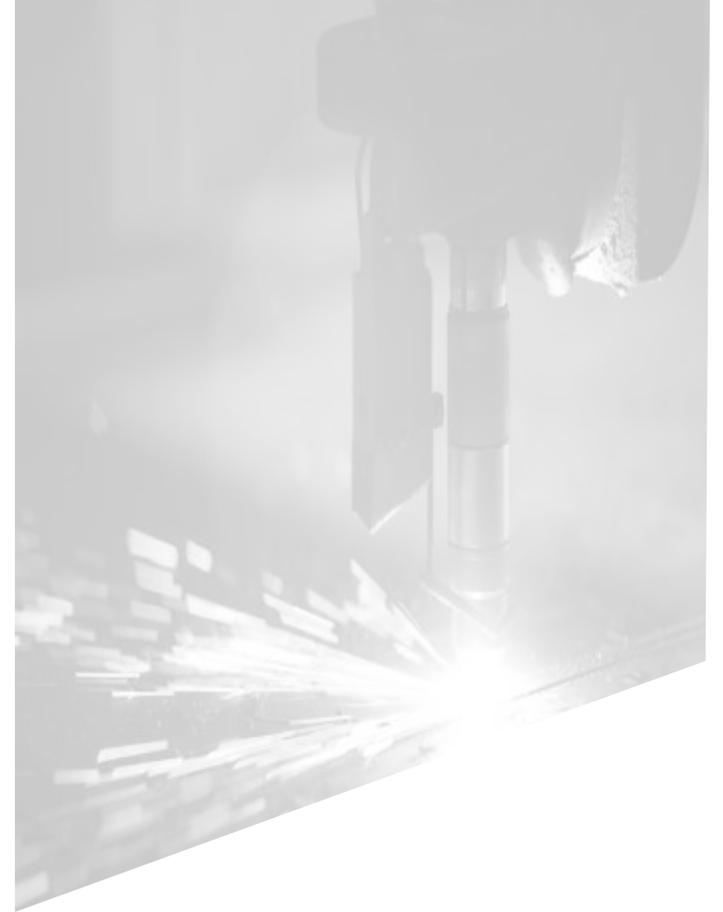

Introducing Fiber Laser Welding Machine

CUTTING

MARKING

WELDING

PRODUCT CATEGORIES

CUTTING

**Laser Diamond Cutting
Machine - Kerfing - Sawing - 4P**

CUTTING

Fiber Laser Cutting Machine Open Type With Single Pallet

1KW TO 6KW CF 3015B

Fiber Laser Cutting Machine

Open Type With Auto Exchangeable Pallet Changer

1KW TO 6KW CF 3015B

CUTTING

1KW TO 6KW CF 3015B

Fiber Laser Cutting Machine With Tube/ Pipe Cutting Attachment

CUTTING

Fiber Laser Cutting Machine Close Type With Auto Pallet Changer

1KW TO 6KW CF 3015B

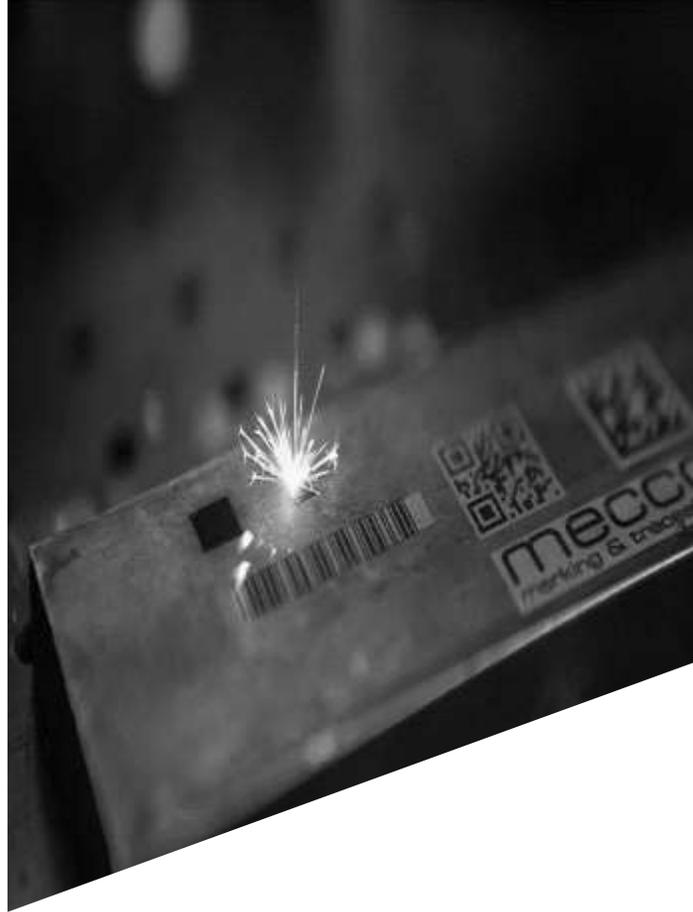

CUTTING

**Fiber Laser Gold/Silver
Cutting Machine Nano**

CUTTING

MARKING

WELDING

PRODUCT CATEGORIES

MARKING

Fiber Laser Marking System

20W | 30W | 50W

MARKING

Portable + Handheld Marking Machine

20W | 30W | 50W

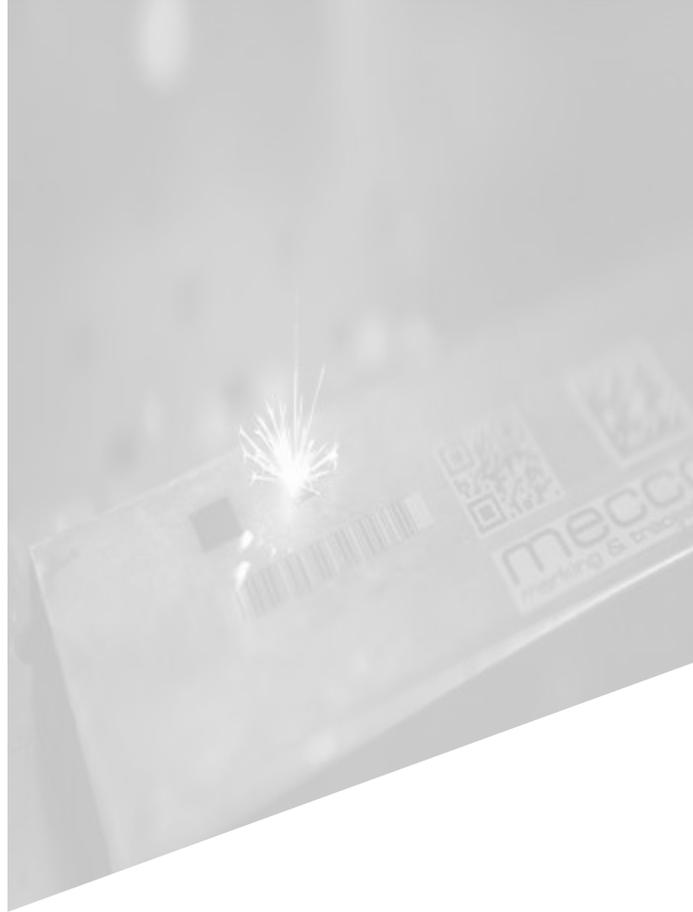

MARKING

**Portable
Marking Machine**

CUTTING

MARKING

WELDING

PRODUCT CATEGORIES

In the process of Research & development to Bring Robotics & Automation in Fiber Laser Welding Machine

Application JOB

Vertical Round Overlap Horizontal

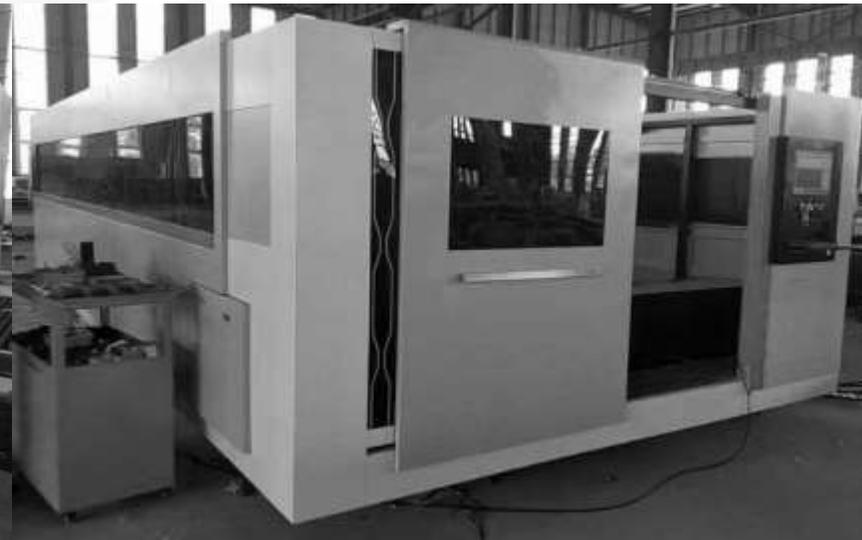

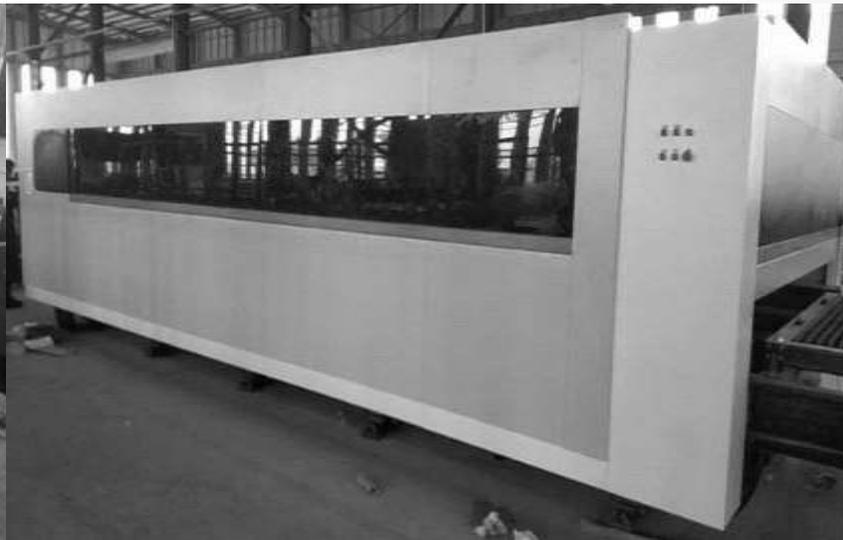

Fiber Laser Welding Machine

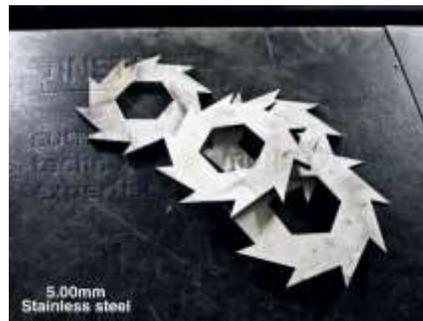

**FIRST EVER & BIGGEST
IN GUJARAT**

**6KW | 8KW | 12KW
MACHINE**

High Power Laser Cutting Machine

APPLICATIONS

20mm
Mildsteel

APPLICATIONS

The logo for Sigma Radar Laser Technology, L.L.P. is displayed on a white rectangular sign. It features a stylized orange Greek letter sigma (Σ) to the left of the word "sigma" in a bold, italicized, black sans-serif font. Below "sigma" is the word "Radar" in a larger, bold, italicized, black sans-serif font. At the bottom of the sign, the text "Laser Technology, L.L.P." is written in a smaller, black sans-serif font.
