QUALITY
WITH US

Σ sigma[®]
MECHOTRONICS PVT. LTD.

WHO WE ARE?

**Started in 1998 at
Ahmedabad - Gujarat**

**Managed by young,
skilled and experienced team**

MANUFACTURER | SUPPLIER | EXPORTER

MILESTONES TO SUCCESS

1997

Started as spares and service provider of Diamond Cutting Machine, Engraving Machine, and Marking Machine etc.

1999

Designed and Developed basic parts such as R.F., Power Supply, CNC Controller, Mount Rail, XYZ Positioning table, software etc.

2001

Started Manufacturing of Diamond Laser Cutting Machine

2005

Started Manufacturing of Fiber Laser Marking Machine & Micro Machining etc.

2010

Set up New Manufacturing Plant for Diamond Cutting Machine in Surat.

2013

Started Designing and Survey of Fiber Laser Cutting Machine.

2015

Started manufacturing of Fiber Laser Cutting Machine & setup our new plant at Bakrol- Ahmedabad

2019

Introducing Fiber Laser Welding Machine

2022

Became Associate Partner with IPG Photonics Ltd (Germany)

2024

Introducing Fiber Laser Welding/ Cleaning Machine

CUTTING

PRODUCT CATEGORIES

CUTTING

**Laser Diamond Cutting
Machine - Kerfing - Sawing - 4P | 8P**

CUTTING

Fiber Laser Cutting Machine Open Type Single Pallet

1.5KW TO 12KW

CUTTING

Fiber Laser Cutting Machine

Open Type With Auto Exchangeable Pallet Changer

1.5KW TO 12KW

CUTTING

Fiber Laser Sheet & Tube/Pipe Cutting Machine (Combo Model)

1.5KW TO 12KW

CUTTING

Fiber Laser Professional Tube /Pipe Cutting Machine

1.5KW TO 12KW

CUTTING

Fiber Laser Cutting Machine Closed Type (Enclosure) With Auto Pallet Changer

1.5KW TO 6KW

**FIRST EVER &
BIGGEST IN
GUJARAT**

**8KW | 12KW | 20KW
MACHINE**

High Power Laser Cutting Machine

WHY CHOOSE US?

TRUST Serving **since 26 years** with
75% Same employees

**CUSTOMER
SERVICE** **24 * 7** Within
Gujarat
48 Hours in
other states

Repeat
Customers
More than **45%**

**Highly Efficient &
Accurate Solutions**

HUGE SPARES STOCK
Consumable parts of competitive rates

OWN MANUFACTURING PLANT
7 – 10 Machine production capacity

Team of Experienced
Technocrats

**Transparent and healthy
Trade Practices**
