Incorporated in 1977, Rughani Brothers started its journey with the trading of fabrics, catering to the domestic readymade garment market. In 1988, it ventured into exports, and soon became a Govt. of India Recognised Star Export House (Status Holder).

The Group is led by founder Mr. K. B. Rughani, his partners Ronak Rughani, Bhavya Rughani and a team of dedicated professionals, who believe in delivering the best fabrics and apparel to a wide range of customers. Rughani Brothers has invested in an in-house fabric design unit too, helping it manufacture a broad collection of designs and fabrics round the year. The Group has earned a reputation for excellence in quality, creativity in design and high levels of customer satisfaction.

Today, the company enjoys a leading position in the fields of Suiting, Shirting and other forms of fabrics and apparel. It is committed to excellence, and strives to grow better and stronger in both its product offerings and customer service, making it the preferred choice for customers in India and across the world.

VISION

- To achieve a higher standard in Suiting and Shirting through excellence in environment and eco-friendly manufacturing techniques.
- To be an excellent supply chain partner, offering an integrated textile solution to leading brands, wholesalers and retailers in the world.
- To become a globally renowned name in the fields of fabrics and fashion.

BUSINESS PHILOSOPHY

To provide and present exclusive collections of Suiting, Shirting, Uniform Wear, Men's Trousers and other Readymade Garments. We work for customer satisfaction by understanding the customer's requirements with these processes:

- Maintaining close contact with customers and obtaining their feedback.
- Consistent innovation in fabric development, in order to ensure exclusive properties like aesthetics, comfort, strength and colour fastness, while also providing custom-designed fabrics.
- Encouraging the participation of the entire workforce as one team.

We expect as well as work for long-term relationships with our customers, suppliers and employees. Our collaborations are based on understanding, respect and a mutual need to grow.
