About Us

Leveraging new technologies and advanced facilities, India Factory has emerged as a prominent manufacturer, trader and supplier in its domain. Established in 1970, we have come a long way since our inception and have acquired a strong foothold over the Indian market. An ISO 9001 certified company, we assure flawless quality of products supplied by us. Our product range encompasses Chill Rolls, Cast Iron Chilled Rolls, Forged Rolls, SG Iron Rolls, Adamite Rolls, Nodular Cast Iron Rolls, etc. Made using high grade material and latest fabrication techniques, these are widely used across a number of industries.

India Factory is Malerkotla, Punjab, India based company dealing in Adamite Rolls, Chill Rolls, SG Iron Rolls, Nodular Cast Iron Rolls, Forged Rolls, etc. We are an ISO 9001 certified company having more than 4 decades of vast experience in the respective domain. We own 3 modern production units with high-tech machines and tools to design 300 pieces in a month. The company has expanded its business network to the worldwide market by offering customized products according to the different needs of commercial and industrial demands.
