About Us

Established in 2002, Ands Lite Pvt Ltd is a trusted manufacturer, supplier, and exporter of innovative electrical and lighting solutions, based in Haridwar, Uttarakhand, India. With over two decades of industry experience, we have built a strong reputation for delivering reliable, energy efficient, and cost effective products that cater to both domestic and international markets. Our diverse product portfolio includes USB Mobile Adapter, Hi Lite 26W LED Bulb, LED Head Light, Luster LED Study Lamp, Immersion Water Heater and several other modern electrical solutions designed to meet evolving consumer needs. Each product is developed using quality approved components and advanced manufacturing techniques to ensure superior performance, durability, and safety.

Quality is the cornerstone of our operations. Our well equipped manufacturing unit follows stringent quality control measures at every stage of production, ensuring compliance with industry standards and customer expectations. Supported by a skilled team of professionals, we continuously focus on research, innovation, and process improvement to stay ahead in a competitive market. Our customer centric approach, ethical business practices, timely delivery, and competitive pricing have helped us build long term relationships with clients across various sectors. Driven by a vision to promote energy efficient and sustainable solutions, we remain committed to excellence, innovation, and continuous growth, making us a dependable name in the electrical and lighting industry.
