

# THE YOUNG ENTREPRENEURS

---

Prefab Construction Enterprise

# ABOUT US

We are a prominent manufacturer and supplier of Portable Cabins, Prefabricated Porta Cabins, Porta Office Cabins, Portable Site Cabins which are fabricated by us in exclusive designs desired by the customers and that too within committed time period while following international building codes and norms. Customers need to give us the detailed description of their preferences and we can design and develop Prefabricated Portable Cabins completely identical to their needs. We have the support of proficient engineers, designers, project managers, technicians, and other professionals having in-depth knowledge and expertise in site offices and porta cabins manufacturing in compliance with the industrial norms & standards.

Quality is our forte, and our whole endeavor is to offer highest quality products to our clients in a best possible manner. All of our products are tested on various quality parameters in compliance with standard industry guidelines. Our porta cabins and pre-fabricated structures are built with highest quality materials to keep it long-lasting. We are also able to deliver products in a minimum time period because of our advanced machinery and streamlined business policy.

We are customer centric organization with a straight motto to give customers what they want, and what we are best at. All our products are prepared with exact dimensional accuracy, efficiency, utility and robustness. We are capable of providing end-to-end solution with complete customized products. Moreover, our business dealings are easy, customer service is efficient and money transaction is flexible.

# WHY US ?

Capitalizing on the extensive expertise in the domain, the company has been successful to cater to spot-on demands of the customers cost-effectively. It has achieved substantial business success on account of the following factors;

- High quality products
- Timely delivery
- Ethical business practices
- Competitive pricing
- Advance processing unit

# VISION & MISSION

Our clear vision is not only to design and deliver high-strength Prefabricated Staff Quarter & Prefabricated Structure which boast of valuable alternative to traditional structures but also to create an architecture that gives value to the investment.

Mission of The Young Entrepreneurs is to provide Innovative-design and excellent-utility Prefabricated Staff Quarter, etc. The company actively participates in preparing distinctive designs and fabrication techniques to enhance engineering capacity and know-how. We are intent to be internationally accredited for bringing about great impact on prefabricated building industry with top-of-the-line architecture and structures, meeting needs and even surpassing expectations of clients.

## QUALITY ASSURANCE

We follow a stringent quality policy that enables us to design and develop high quality products in compliance with the market norms. This policy states certain measures such as use of high grade raw material, controlled and monitored production process, testing of finished products on the parameters comfort and performance, and timely completion of project. We also render regular maintenance services as per the requirement of the customers. Our products such as Prefabricated Structure, Steel Prefabricated Structure, Prefabricated Structure Construction, Porta Cabins, Site Offices, Staff Accommodation etc. are highly appreciated by the clients for quality.
