## Know Us

Incepted in the year 2004, at Delhi, we “Image India,” are one of the leading service provider, offering a wide range of printing services. Our services include printing of pharmaceutical cartons, label & tag printing, poster printing, stickers, folders & file cases, printed catalogs, printed boxes, display boxes, mono carton, corrugated boxes, paper bags and pharmaceutical display kit. These are printed by us using superior quality ink and color, and consistency is maintained throughout the text matter.

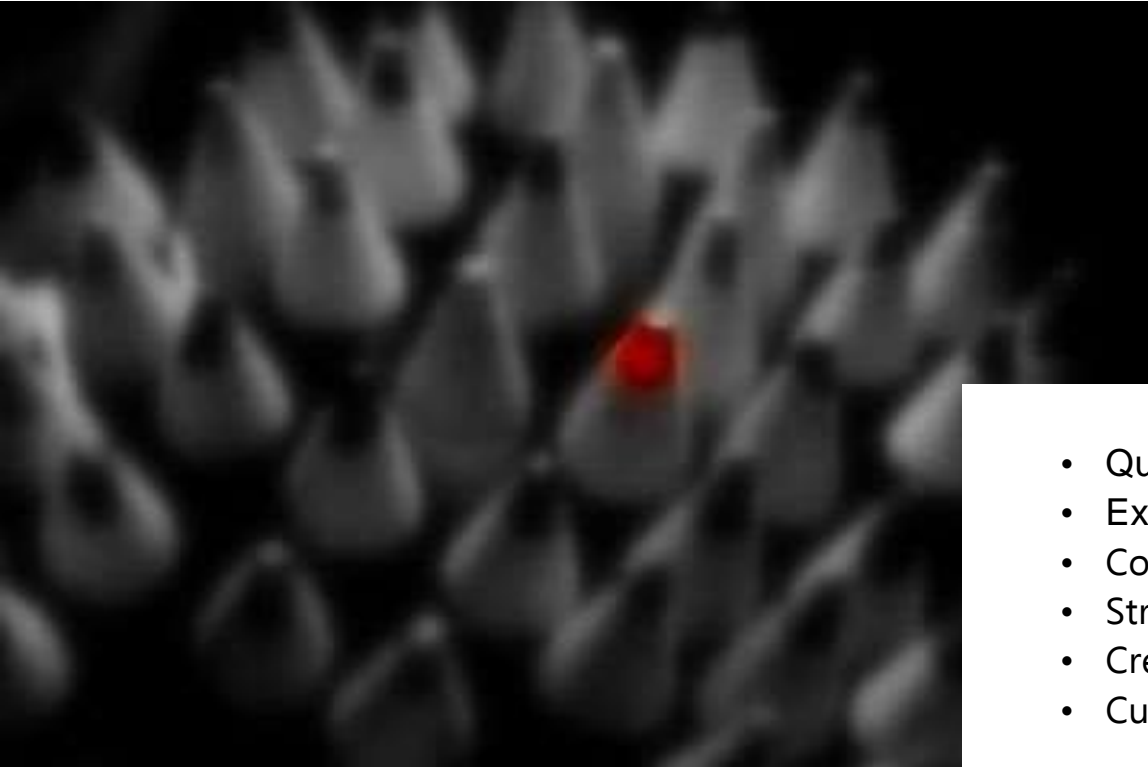

Due to our never ending quest for offering high quality services, from time to time we invest in latest printing machines that enable us in delivering excellent printing solutions at competitive prices. Our outstanding services and consistency in delivering quality have helped us to build a vast clientele.

Our business operations are led under the able guidance of Mr. Suraj Pal. His half a decade of industry experience and dedicated support provided by experienced teams allow us to successfully meet varied requirements of the clients.
