About Us

To meet the demands of the medical fraternity, we, Fortune Healthcare Products Pvt. Ltd., commenced our business activities in 2005. Since then, we have been supplying more than 5000 generics and medicines approved by WHO GMP, US FDA and European Union branded medicines. Our industry knowledge and our manufacturing expertise has acquired us status of noted manufacturer, exporter and trader in the industrial, healthcare and food service industries. We are doing Bulk & Dropshipping in all generic Medicines. The active support provided by our efficient work force and advanced production facility assists us in producing a wide gamut of ISO 9001:2000 & WHO-GMP certified products like Veterinary Products, Herbal Products, Pharmaceutical Formulations, Bimatoprost Ophthalmic Solution, etc.

Our success depends on a vibrant and productive R&D process that encourages innovation and expedites the accelerated development of new and safe products. With the aim of sustaining an industry-leading portfolio of products that deliver value for healthcare providers, we have continuously been focusing on improving and transforming our R&D processes. This transformation not only assists us to delivering the current range of products but also to sustain the flow of products for the years to come. In addition to our products, we undertake bulk drop shipping contracts from pharmacies all over the world. Quick shipping and drop shipping with economic pricing structure for high quality generic drugs has always remained our forte.
