- Stability Testing Chambers
- UV Spectrophotometer

Fortune Healthcare Product Pvt. Ltd., based in asoj, manjusar (Gujarat), India, is a well-established name in the field of Pharmaceutical & Healthcare Industry. We are a Global Pharmaceutical Manufacturing and Exporting company, renowned internationally for its quality standards and efficacy of the products. Fortune Healthcare Product Pvt. Ltd. is a leading Manufacturer and Exporter of Pharmaceutical Finished Formulations such as Tablets, Capsules, Injections, Pre-filled Syringes, Inhalers/Respules, Nasal Sprays, Creams, Ointments, Eye/Ear Drops, Syrups, Suspensions, Suppositories/Pessaries, Sachets, Powders, Lozenges, Jelly & Lotions across the globe.

We have State-of-the-Art manufacturing facilities with WHO-GMP, ISO 9001:2015 accreditations. All the facilities are equipped with ultramodern technology. We have a robust product portfolio comprising of Medicines spread over all the major therapeutic areas like Antibiotic, Antimalarial, Antiviral, Antifungal, Anticancer, Antihypertensive, Anticonvulsant, Antidepressants, NSAID, Painkiller, Anticoagulant, Antiprotozoal, Anesthetic, Antiallergic, Antidiabetic, Antacid, Antidiarrhoeal, Laxative, Antiasthmatic, Erectile Dysfunction, Contraceptive, Vitamins, Hormones, Skin care and many more. Currently, the company is into manufacturing and exporting of more than 1500 products worldwide.

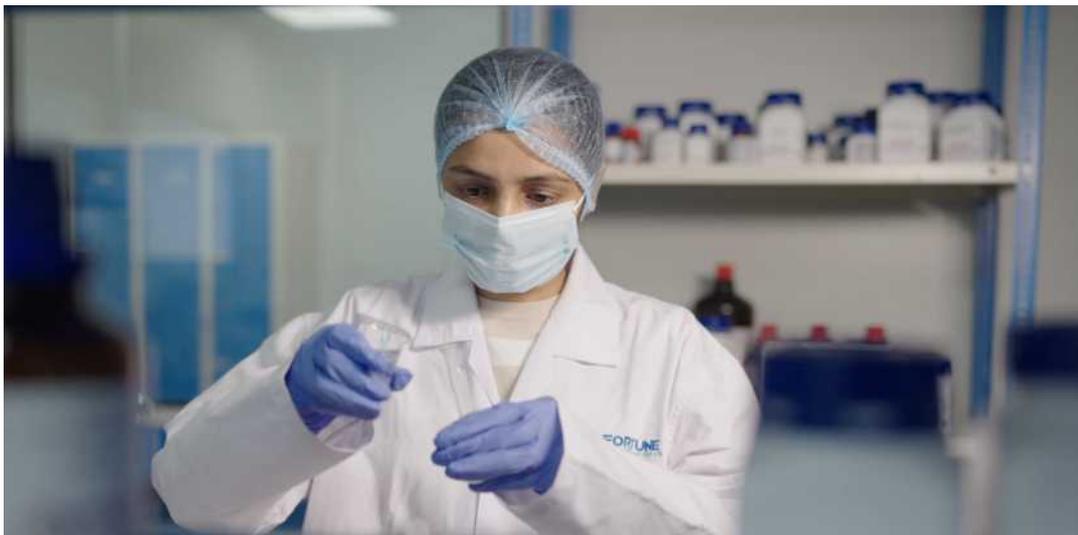

One of our specializations is Contract Manufacturing and 3rd Party Manufacturing where we ensure we manufacture the required pharmaceutical drugs and make it easily accessible to the market. Whether our client would like us to modify or enhance an existing product, create a new drug or increase the present manufacturing capacity of particular medicine, our team of professionals combined with our infrastructure is always ready for it.

Fortune Healthcare Product Pvt. Ltd. is backed by a highly skilled team of Drug Regulatory Affairs (DRA) who are well versed with international regulatory policies and procedures. Our R&D capabilities include dossier development, chemical synthesis, process optimization, formulation development, analytical development and conducting stability studies. We are undoubtedly one of the premium names due to our hard-earned credibility of providing the best to medical practitioners and Healthcare companies in the world.

Quality has always been a strong part of Fortune Healthcare Product Pvt. Ltd. – ‘We always ensure a high level of quality in our Healthcare products and related services’. Our organization has been committed to provide a wide range of quality and affordable Healthcare solutions to a large number of Healthcare Institutions, Governmental Institutions and Medical Facilities. We intend to be the ideal partner for our clients and our aim is to deliver a diverse array of quality healthcare supplies and Pharma Products.

ABOUT FORTUNE

We have a team of dedicated professionals with years of industry experience to assure that all pharmaceuticals are stored, handled, and shipped according to the highest regulatory standards. We are well versed in handling temperature-controlled products, specific requests for various lot and expiry requests, and specialty medications.

To accomplish Fortune Healthcare Product Pvt. Ltd. achievements in Pharmaceutical Exports, Ministry of Commerce & Industry has honoured us with badge of ONE STAR EXPORT HOUSE. We have earned accolades and recognition from customers in international market due to our indefatigable and determined commitment towards quality and customer satisfaction. Bringing all these factors together, Fortune Healthcare Product Pvt. Ltd. has created a regular overseas presence in over Export only countries.

“The pharma cold chain must be reliable. If something fails, there has to be a redundant pathway to keep it safe.”
