About Us

With the increasing development of hospitals, clinics, healthcare centers, etc. the demand for healthcare products is also rising. To meet the growing requirements of medical items, Rudraya Health Care came into existence in 2010. By using our more than a decade experience efficiently, we are able to manufacture top-grade Plaster Bandages like Adhesive Plaster Bandage, RD Cast Bandage, Polyester Plaster Bandage, White Plaster Bandage, etc. Apart from these products, we are trading different kinds of medical products such as Fiber Glass Bandage, Roller Bandages, Transparent Band Aid, Surgical Bandage, Cotton Band Aid and more.

With complete dedication and determination, we have been operating the company and become a renowned manufacturer, trader and supplier in the Indian market. Mr. Sumer Parihar is the Proprietor of the company under whose leadership, we have achieved several milestones and are able to reach great heights of success.
