About Us

In countries across the world, there are high demands of fresh soda and many such beverages. And this demand has ignited the business of companies that manufacture or trade in products like Soda Bottling Plant, Multi Flavor Soda Machine, Non Electric Soda Dispenser Machine, Commercial Soda Dispenser Machine, and more. We, ITM Fountain Soda Machine Pvt. Ltd., are one such company. We provide different types of soda making machines that are demanded for dispensing sweet aerated beverages in different flavors.

Our easy to operate soda dispensing machines are extensively praised for their minimal maintenance, efficient performance and power efficiency. We lay down high emphasis on the quality so that our buyers get highly advanced and value for money machines at competitive prices. Our 1990 born company holds an impressive track record of assembling engineering marvels that produce beverages of good taste and flavors. We offer our modern machines in many models that help us to cater to the diverse demands of buyers.
