About Us

Established in the year 1988, Prakash Pipe Factory has emerged as a reputed and leading manufacturer and supplier of quality R.C.C. Pipes and a wide range of durable concrete products. Backed by decades of experience and an intense commitment to quality, the company has earned a name for its dependability, consistency, and excellence. Over these years, Prakash Pipe Factory has grown into a leading turnkey manufacturer, offering end-to-end concrete solutions to various sectors across the nation. We offer Vertical Cast RCC Pipes, HDPE Lined RCC Jacking Pipe, HDPE Lined RCC Pipes, Precast RCC Hume Pipe, RCC Hume Pipes, and more. Key features of our products: Available in various sizes and dimensions, High strength and structural stability, Durable and robust, Resistant to wear and harsh conditions, Easy installation, Superior finish, and Reliability in performance.

The company was founded by Mr. Mahesh Chand Agarwal, who has been actively involved in the business since 1984. Under his leadership, vision, and unwavering dedication to customer satisfaction, the organisation has achieved much of its growth. His work ethic and hands-on approach have aided in strengthening the infrastructure of the company, its customer base, and helped establish Prakash Pipe Factory as a name of repute in the concrete manufacturing industry.
