## About Us

Even though people do not realize it, every country is extremely dependent on the farming sector. This is the reason why the needs of this division of the economy are increasing. We, Ram Shree Chemicals give a great deal of importance to such needs, and are thus coming up with a technology infused range of products for our valuable patrons. Established in the year 2012, our stint of 4 years has been enough in earning a reputable position as a Manufacturer, Supplier and Exporter of Pesticides Products, Fungicide Products, Herbicides and Weedicides, Bio Insecticides and Fungicides, Plant Growth Regulator, Organic Fertilizer and Water Soluble Fertilizer, Organic Manures, Maize Products, Food Products, Chemicals and Petrochemicals. Developed utilizing best in class inputs and the most progressive processing technology, these products strictly conform with the guidelines defined by the market. Products we offer are also quality tested/checked on a set of prescribed norms prior to the final delivery of the order.

ISO 9001:2000 certified, Ram Shree Chemicals is a progressive global company having head quarter in Mumbai, India. Incorporated in the year 2012, the organization is consistently growing in the fields of technology development and commercialization of agricultural products. The wide range include Weedicides, Herbicides, Fungicides, Bio-fertilizers & Bio-pesticides, Plant Growth Regulators, Water Soluble Fertilizers, Micro Nutrients, Pesticides, Organic Fertilizers for Plant Nutrition & Plant Protection. By offering diversified product line such as Petro Chemicals, Industrial Chemicals, Solvents, Chrome Chemicals, General Chemicals, Raw Material of Pharmaceuticals, Raw Material of Dairy Products, Chemicals, Food Grade Products, Coal, Water Treatment Chemicals etc., we have expanded our business.
