About Us

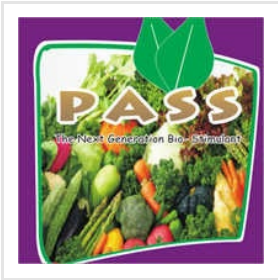

Established in the year 2010, Apple Agro emerged in the market as a prominent manufacturer and supplier of Ultra Flower Plant Energizer, Agro Fertilizer, Soil Fertilizer, Fertilizer Additive, Soil Conditioner Fertilizer, Biostimulants Seed, Bio Organic Fertilizers and Humid Acid Liquid. The company is known as a trustworthy source to obtain fertilizers and other agro pharmaceuticals because of its qualitative production. The products which the company offers are manufactured under hygienic environment and under the vigilant eyes of our professional team of employees. Optimum quality ingredients are used in the making process as well as the processes are handled through sophisticated techniques. The infrastructure is segmented in several units to complete each business activity in a smoother manner. We are consistently growing in market under the guidance of our mentor Mr. Anant Pradhan who has deep knowledge of the business.

We are a customer-focused organization and our clients are at the top in our list of priorities. To ensure client satisfaction, our team of employees meticulously handle each procedure and strive hard to bring out best results. Every process, from manufacturing to delivery of the consignment is handled by a professional team, so we can provide our customers with faultless supply. For their convenience, we offer multiple payment options to our customers, so they can pay according to their comfort. We are committed to serving our clients honestly and with best services in the whole industry.

Key Facts

No of Staff	10
Year of Establishment	2010
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	as per requirment

Our Products

Bio Stimulants

Plant Growth Promoters

Agricultural Yield Booster

Bio Stimulant

Seaweed Gel

Biofungicide

Agricultural Bio Pesticides

Kuber Biostimulant

Bio Insecticides

Plant Growth Regulators
