About Us

Compact Innovation Avenues Private Limited is dedicated to revolutionizing daily necessities by means of sustainability and innovation. Being a manufacturer, supplier, and exporter, we deal in eco-friendly items that are created to harmoniously integrate functionality, beauty, and environmental stewardship. Our product line consists of Bamboo Wireless Speaker, Ceramic Cork Mug, Recycled Paper Copier Sheet, Cork Leaf Bookmark, Cork File Folder, Mug Pen And Pencil Combo, Mug Pen And Cork Book Combo, Office Notebook, etc. Each product is carefully designed with waste reduction, renewable resources, and longevity in mind, providing long-lasting alternatives to typical office and lifestyle supplies.

We have sustainability as our core objective, and it is our responsibility to ensure each product contributes towards a greener future. Our bamboo wireless speaker provides high-quality sound while upholding a natural, biodegradable structure. The ceramic cork mug is an ideal marriage of contemporary design and enhanced heat retention, perfect for everyday use. Our recycled paper copier sheet is intended for top-quality printing while conserving the environment. The cork leaf bookmark and cork file folder are elegant and long-lasting workspace organization tools, while the mug pen and pencil set maximize desk real estate with ease. The cork book and mug pen set are designed to provide an integrated work experience, and our office notebook, made from high-quality sustainable materials, boosts productivity without sacrificing environmental values.
