## About Us

With a large team of highly talented professionals and state-of-the-art facilities, we, **Panasian Impex Private Limited** have been continuously reaping big rewards since 2008. We are a well known exporter of genuine quality **Raw Cotton** that has made us a trusted name in the industry. Focus on superior quality, our range of products is confirmed to the most stringent international quality standard in production, quality, packaging and dispatch of material.

Our team of professionals is engaged in focusing on companies goals, insist transparency & actively participating at all levels of business process that help us to meet clients' requirements successfully. Our team of full fledged staff along with R & D division has helped us to offer goods that is capable of offering complete customer satisfaction. Moreover, we believe that the role of management is around the fulfillment of organizational goals through proper allocation and optimum utilization of team members, who finally leads to company growth.

## Quality Assurance

Keeping in mind the quality conscience, we ensure hygienic processing and modern packaging methods that are applied while manufacturing our range. Strict quality control is followed at each stage of operations like right from procurement of raw materials, manufacturing process till the final delivery of consignments.

We have well experienced quality control team, who constantly monitor the quality checking process that ensure only the finished gamut is delivered to the clients' destination. Further, to ensure clients' satisfaction, we inspect our range on reliability, hygienic and other parameters. This has helped in acquiring a long list of clients and some of them are **Navnit Group Of Mill, Square Textile Mills and Techno Textile Mill**.

## Manufacturing Unit
