About Us

We at Proficient Marketing were able to obtain a reputable position in the industry under the guidance of our mentor Viral Shah (Partner). We are happy to see that as a supplier and exporter, we have been successful in earning a strong market image. Our expertise lies in meeting the requirements of buyers associated with Distance Meter, Total Station, Cable Locator, Automatic Level, etc. Since 2003, we have been associated with this domain and have always impressed buyers by serving them in an exceptionally well manner.

With the support of our partners, we have been able to establish ourselves as a globally renowned brand. Further, the back of our in-house team is the driving force behind the success of our venture. We adhere to the industrial norms of all those countries where we are supplying our array. Our future plans are strategic and beneficial for our partners as well as customers. We are sure that our effort and dedication will not go in vain and we will be successful in our deals.
