# HOSPITAL BEDS

*Changes for the Better*

[www.zoomscientificworld.com](http://www.zoomscientificworld.com)

Zoom was founded in 1967. Works. It is an enterprise specialized in manufacturing Laboratory, Hospital, Medical, Educational and Scientific Equipments. In the past 50 years, the company has kept on introducing advanced technology, improving product quality, focusing on the quality of service and continued to grow and develop with “Customer Satisfaction” as ultimate Aggarwal.

With the general concept of “Quality First, Reputation Oriented”, Zoom has established a whole set of strict inner quality control system following the international standards and passed ISO 9001:2015 and CE approval.

With the enterprise spirit of “Pragmatic, Hard-working, Pioneering and Enterprising” and 50 years unremitting effort. Focus marketing network is all over the country and the products are exported overseas.

We wholeheartedly wish new and old friends at home and abroad to establish various forms of partnership. Fifty years have passed, Focus will provide high quality products and perfect service to all the clients just as in the past, to make due contributions to human medical and health services.

With Warm Regards,  
Sahil Raj Aggarwal
