## About Us

Offering quality products to our customers is what we, Swaraj Pigments are known for, and this is what enables us to stay ahead of competition. Honesty and quality are the two pillars of our company that together have cemented our position in the industry among the forerunners. As a manufacturer, we have set up a research and development department that allows us to conduct researches on different aspects of our business like sales, customers' reviews, current market trends and more.

Unlike other companies who do not pay attention to customers' feedback and suggestions, we, Swaraj Pigments are always open to the reviews of our customers because we believe it is our customers who open their wallets and pay for our services; therefore, it is important to focus on their requirements and perspectives. The foundation stone of our Ankleshwar (Gujarat, India) based company was laid down in the year 2011 and since then we have been working hard and fulfilling the demands of our customers for quality CPC Blue Pigment, Orange Pigment, etc.. in the best possible manner. This is the reason that we are looked upon as a symbol of trust and quality assurance by our customers today.
