About Us

Leveraging our unrelenting efforts, expertise and commitment of our workforce, we, SMMS Engineering Systems Pvt. Ltd., have acquired top-notch position in the national markets. Established in the year 2010, we have been a quality-conscious manufacturing company engaged in developing a wide range of electronic instruments. We are well known as one of the leading manufacturer, supplier and exporter of conveyor metal detectors, pharmaceutical metal detectors, food metal detectors, ferrous metal detectors, needle detectors, biscuit metal detectors, etc which are designed with sophisticated sensors to efficiently detect metal even if it gets concealed behind the surface. The product assortment offered by us perform in line with the prescribed standard specifications.

SMMS ENGINEERING SYSTEMS PVT.LTD takes pride in introducing itself as a complete solution provider for Metal Detection as well as Product Checking Systems. Since three decades, we have been engaged in the business of Metal Detection and have successfully supplied quality Metal Detectors for numerous applications in India and Overseas market. Our Metal Detection Systems are specifically designed and manufactured to match with the stringent quality demands of the food and packaged food industries to monitor Metal Impurities. Our proposed products is widely used in pharmaceutical industry, food industry, food ingredients, spices, pickles, processed foods, frozen, seafood, meat, ready to eat, paper & pulp, garment, chemical industry etc to identify smallest metal particles in both Online and Offline processes from the product. We are delighted to be associated with diversified industry segments and have witnessed various installations in different industries.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	conveyor metal detector,metal detector conveyor,tablet metal detector,conveyor metal detector,gravity feed metal detector,food metal detector,pharmaceutical metal detector,industrial metal detectors,ready to eat food packets metal detector,powder metal detector
No of Staff	60
Year of Establishment	2010
No of Production Lines	1
OEM Service Provided	Yes
ProductRange	conveyor metal detector,metal detector conveyor,tablet metal detector,conveyor metal detector,gravity feed metal detector,food metal detector,pharmaceutical metal detector,industrial metal detectors,ready to eat food packets metal detector,powder metal detector

Our Products

**Loose Candy Food
Metal Detector**

**Metal Detector For
Frozen Seafood**

**Snacks Food Metal
Detector**

**Metal Detector For
Biscuits**

**Metal Detector For
Cakes**

Spice Metal Detector

**Metal Detector For
Boxes**

**Metal Detector For
Sugar**

**Metal Detector For
Soya Powder**

**Metal Detector For
Broken Cashew**

**Metal Detector For
Granules**

Rice Metal Detector

**Frozen Food Metal
Detector**

**Metal Detector For
Chocolates**

**Metal Detector For
Packets**

Powder Metal Detector
