

CHAIN LINKS FLASH BUTT CHAIN LINKS WELDING MACHINE

A promise to offer Services with higher
quality standards.

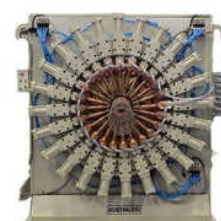

Auto Bench Type Spot Welding Machine, Automatic Spot Welder For Filter Bags, Chain Links Flash Butt Chain Links Welding Machine, Electric Resistance Heating Machines, Electric Rod Resistance Heating Machines, Electrical Upsetting Machine, Enviro Multi Spot Welding Machine, Flash Butt Welding Machine For Torsteel Bars, Induction Ring Heating Machines, Medium Frequency Spot Welding Machine, Multi Stationed Spot Welding Machine, Projection Welding With Nut Feeder Machine, Spot Cum Projection Welding Machine, Spot Welding Machine, TBH - 25 Resistance Heating Machines, etc.

**MEDIUM FREQUENCY SPOT
WELDING MACHINE**

**MEDIUM FREQUENCY SPOT
WELDING MACHINE**

**AUTOMATIC SPOT WELDER FOR
FILTER BAGS**

About Us

Keje Thermoweld Equipments Pvt. Ltd. is situated in an automotive and industrial hub in Bhosari, Maharashtra, India, where leading automotive companies like Force Motors, Tata Motors, Bajaj, etc. are located. With expertise in the welding and heating fields, we not only design, engineer, and manufacture Electrical Upsetting Machines, Enviro Multi Spot Welding Machines, Spot Welding Machines, Resistance Heating Machines, etc., but also integrate them as per the business requirements of our customers via our technical support services. We consider our customers to be our valuable partners, with whom we try to come up with optimal solutions.

As a client-oriented manufacturer and exporter, we are committed to providing the best products and solutions that suit the requirements of our customers. Our brand, Kejetherm, emphasizes ethical practices, great management, and dedication. Associating with Kejetherm means that customers business interests are protected by three-decade-old specialists who are doing wonders for them. All our products are exported around the world. Our organization is headed by Mr. Nikhilesh Mahbubani, who has years of experience in the fields of design, manufacturing, and marketing. The factors behind the success of the company include consistent upgrades of technology, a focus on conducting R and D activities, and a team of strong-headed professionals who believe in themselves as well as the company they are part of.

Key Facts

No of Staff	50
Year of Establishment	1982
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	50
Memberships	MCCIA

Our Products

TBH - 250 Resistance Heating Machines

Multi Stationed Spot Welding Machine

Auto Bench Type Spot Welding Machine

Chain Links Flash Butt Chain Links Welding

Flash Butt Welding Machine For Torsteel

TMG V - 50 Metal Gathering Machine

TBH - 25 Resistance Heating Machines

Spot Welding Machine

Enviro Multi Spot Welding Machine

Spot Cum Projection Welding Machine

TSP - 200 Low Inertia Projection Welding

Projection Welding With Nut Feeder

TMG H - 350 Metal Gathering Machine

TMG V-25 Metal Gathering Heating

Electrical Upsetting Machine

Torsion Bars Heating Machines
