About Us

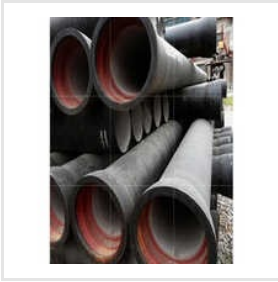

Established in 2023, Swaraj Pipe Sales has earned a reputable position as a manufacturer, trader, supplier, and exporter of high quality pipes and fittings. We specialize in Ductile Iron Duckfoot Bend, Cast Iron Long Collar Pipe Joint, Flanged Pipes, Fire Hydrant Valve and a diverse range of related products. Our offerings are widely valued for their water resistance, durability, cost effectiveness, and low maintenance requirements. Our products are manufactured using industry approved materials and advanced technology to ensure superior quality. Each item undergoes rigorous quality checks using modern techniques to meet stringent industry standards. Backed by a team of skilled professionals, we are committed to delivering products that align perfectly with customer specifications.

We operate from a state-of-the-art manufacturing unit equipped with the latest machines and tools, enabling us to handle both urgent and customized orders efficiently. Our ability to adapt and innovate ensures timely delivery without compromising on quality. Under the visionary leadership of Mr. Rajesh Rohilla, who brings extensive industry experience and deep expertise, we strive to fulfill client needs with utmost professionalism. His guidance has been instrumental in building strong customer relationships and expanding our market presence. Swaraj Pipe Sales is proud to be a trusted partner for reliable and durable piping solutions.
