About Us

Ever since our commencement in the year **1972**, we, **Kiran Udyog**, have been manufacturing and supplying qualitative **Fiberglass Sleeving, Fiberglass Hose, Polyester Tapes** and more at equitable prices. Adhering strongly to our principles of quality and safety, we have been winning the hearts of our customers and other business partners including shareholders and investors. Therefore, it would not be wrong to say that for affordability, quality and quantity, allying with our company is one of the right choices to make. Customer-oriented approaches and state-of-the-art infrastructural facility has been enabling us to maintain our popularity not only in the Indian market but at International level too. By **exporting 30%** of our offerings in the markets of United States and ensuring timely product delivery, we have been sustaining the reputation of a reliable exporter.

Quality has always been the center of focus for every customer. A product of good quality is always appreciated and demanded by the potential customers. Considering this, we follow techniques of total quality management system and ensure the quality standards of our Fiberglass Hose, Polyester Tapes and other products, remain unmatched in quality. All the quality checks are performed by our team of quality analysts, thereby, ensuring we leave no stone unturned in the delivering the best products to our customers. Impressed by the quality of our offerings, we have developed long lasting relations with many customers of which Chittranjan Locomotives, Siemens and CG Power are to name a few.

The history of our 3rd generation family owned business dates back to many years. Every day our work begins with out motive of winning the hearts of our customers and attaining maximum customer satisfaction. With a strong blend of professionals and facilities, we have gained expertise in this domain, attained milestones of success and set benchmarks. Currently, we have an excellent production rate of 300000 meters per month for our Fiberglass Hose and other products, which itself reflects our ability to meet all kinds of the bulk or urgent needs of Polyester Tape, Fiberglass Sleeving, etc.
