About Us

Bhargav Brass Industries, one of India's top producers of customized forged and machined components, is based in Jamnagar, Gujarat. Our range includes Brass Electrical Contacts, Brass Flare Fittings, Brass Inserts, Brass Electrical Pins, Brass Sanitary Fittings, Aluminium Bronze Casting Parts and more. It is the ideal combination for growing partners to produce premium, top-notch, customized metal components for a vast clientele of prestigious customers worldwide. Having experts for 28 years, starting in 1996, in the precision engineering of different forging and machining parts. With a wealth of experience, Bhargav can manufacture customized parts with diameters ranging from 1 mm to 350 mm, lengths from 1 mm to 400 mm, and weights from 2 grams to 30 kg, all with an accuracy level of 0.004 mm.

Every day when we wake up, Bhargav Industries is regarded as one of the leading innovators, precision makers, and engineers who have revolutionized quality! That is how Bhargav Industries is known in the engineering community.
