**IR-852 DIGITAL SMD REWORK WITH
SOLDERING STATION**

About Us

Ideal Resources Products Pvt. Ltd. is a trusted Manufacturer, Importer, and Supplier of industrial and technical products, serving diverse sectors with reliable and performance-driven solutions. Based in Pune, Maharashtra, India, we are focused on supporting modern manufacturing and operational environments through a structured, quality-oriented approach. Our company is built on the principles of consistency, technical relevance, and customer satisfaction, ensuring that every solution we provide aligns with professional industry expectations.

We offer a comprehensive range of solutions designed to meet the diverse requirements of electronics, automotive, electrical, pharmaceutical, and industrial markets. Our key categories include Soldering Station, ESD Products, ESD Solutions, Measuring Products and Automation Products. Each product is selected or developed to provide consistent performance, robust build quality, and efficient service life.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	soldering pot,temperature controlled soldering station,conductive bins,Antistatic Products,Wire Cutting and Stripping machine
No of Staff	10
Year of Establishment	2002
OEM Service Provided	Yes
Memberships	MCCIA
ProductRange	soldering pot,temperature controlled soldering station,conductive bins,Antistatic Products,Wire Cutting and Stripping machine

Our Products

ESD Finger Cots

Antistatic Table

Antistatic Mat

880 4 In One Digital Soldering Station

Smoke Absorber

Automatic Soldering Machine

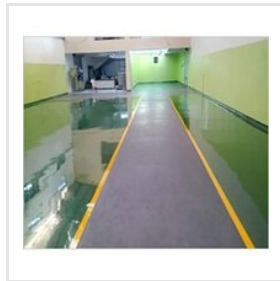

IR-747 Desoldering Station

BK-3500 Auto Tin Feeder With Digital

ESD Table

Epoxy Flooring

Anti Static Tiles

Leko Antistatic Wrist Band

Digital Temp Control Soldering Station IR

Lead Free Digital Soldering Station IR-

Lead Free Digital Soldering Station IR-

Digital SMD Rework Station IR 850

ADDRESS

302, Vishal Enclave, Sr. No.
12/1/2A/1 & 3A, Wanawadi,
Fatima Nagar, Pune,
Maharashtra, India (411040).
