About Us

With a history of seven years, Premier Rubber Industries has excelled in offering Electrical Mats, Garden Hose, Garden Rubber Hoses, Industrial Rubber Hoses, Rubber Sheet and more to become one of the leading companies in the Rubber Industry. As a manufacturer and trader and also being a part of rubber industry; we consistently strive to bring forward the faded glory of this industry into spotlight by making people aware of its strengths, present and future status. We also see a sustainable path for growing on long term basis as we execute our tasks to be a better company than we were yesterday. With an excellent history of financial stability, we are capable of fulfilling all the demands of our customers in terms of quality and timely deliveries. This is the main reason why people prefer associating with us. The repeated orders of our clients enabled us to achieve an annual turnover of INR Fifty Lakhs in the last year.

We, Premier Rubber Industries believe in developing and retaining talent by offering the deserving candidates career development opportunities, while providing them a safe and healthy working environment where every individual is treated with mutual respect. Our Vadodara (Gujarat, India) offers Foot Valve, Rubber Sheet, Garden Hose, Rubber Hoses, etc. for meeting diverse market needs. It is our semi-automatic production process that allows us to fulfill the urgent and bulk requirements of our clients. We own a spacious warehouse that enables us to store our produced goods in an organized manner so that these can be retrieved easily at the time of delivery.
