## About Us

Balaji Industries, established in 1984, is a leading manufacturer, exporter and supplier of the construction machinery. In the entire manufacturing process, we strictly comply with an ISO 9001:2008 certification so as to ensure the optimal quality and utilitarian features. Thus, our products have received CE Mark and sweeping accreditation.

We are leading manufacturers, exporters and leaser of the construction machinery like Automatic Concrete Block Machine, Vibrator Machine. Balaji has nearly 3 decades of experience in manufacturing various machineries, which feature excellent design, quality, and reliability at competitive prices. Every sale from Balaji reveals the superb service we provide. In order to build better machinery, we employ experienced technicians, import advanced equipment and implement strict quality control. Balaji has nearly 3 decades of experience in manufacturing various material handling machines and suspended platform, which feature excellent design, quality and reliability at competitive prices. We at Balaji perceive "Quality being a lifeline for the company". After sales, our commitment stands for providing optimal service.

## Our Products

**Circular Suspended Platform**

**Platform Hoist**

**Construction Tower Hoist**

**Aluminum Bottom Platform**

**Suspended Platform With Wheels**

**Rope Suspended Platform**

**10/7 CFT Concrete Mixer**

**Concrete Mixer With Hydraulic Hopper**

**Suspended Platform With Wire Winder**

**Hopper Concrete Mixer**

**Hydraulic Jack Concrete Mixer**

**Portable Concrete Mixer**

**Folding Tower Hoist**

**ZLP Suspended Platform**

**Reversible Concrete Mixer**

**Concrete Mixer Without Hopper**
