

Product Specifications	Details
Product Type	Hydraulic Rock Breaker Machine
Material	Mild Steel
Computerized	No
Automatic Grade	Semi-Automatic
CNC Or Not	Normal
Control System	Hydraulic Control
Voltage	220-240 Volt (V)
Power	2000 Watt (W)
Power Source	Electric
Weight (kg)	Heavy Duty
Dimension (L*W*H)	Standard
Capacity	Industrial Use
Color	Grey
Usage & Applications	Construction, Mining & Earth Moving Industry
Cutting Area	Rock Breaking
Diameter	Standard
Condition	New
Spindle Speed	Standard
Table Size	Standard
Machine Type	Hydraulic Machine
Features	Heavy Duty, Durable & High Performance
Noise Level	Low Noise
Motor Power	2000 Watt
Frequency	50 Hertz (Hz)
