Product Specifications	Details
Product Type	Rock Breaker Chisel
Material	Mild Steel
Computerized	No
Automatic Grade	Manual
CNC Or Not	Normal
Control System	Manual Control
Voltage	220-240 Volt (V)
Power	Electric Operated
Power Source	Electric
Weight (kg)	Standard
Dimension (L*W*H)	Standard
Capacity	Heavy Duty
Color	Yellow
Usage & Applications	Construction, Mining & Earth Moving Industry
Cutting Area	Rock Breaking
Diameter	Standard
Condition	New
Spindle Speed	Standard
Table Size	Standard
Machine Type	Industrial Tool
Features	Durable, Corrosion Resistant & High Strength
Noise Level	Low Noise
Motor Power	Standard
Frequency	50 Hertz (Hz)
