

Product Specifications	Details
Product Type	Hydraulic Rock Breaker Spare Part
Material	Mild Steel
Computerized	No
Automatic Grade	Manual
CNC Or Not	Normal
Control System	Manual Control
Voltage	Not Required
Power	Manual Operated
Power Source	Manual
Weight (kg)	Standard
Dimension (L*W*H)	Standard
Capacity	Heavy Duty
Color	Silver
Usage & Applications	Construction, Mining & Earth Moving Industry
Cutting Area	Rock Breaker Application
Diameter	Standard
Condition	New
Spindle Speed	Standard
Table Size	Standard
Machine Type	Industrial Spare Part
Features	Corrosion Resistant, Durable & High Strength
Noise Level	Low Noise
Motor Power	Not Required
Frequency	Not Required
