ABOUT US

For More Than A Decade, We Have Been Operational In The Field Of Process Equipment. Based In Ghaziabad, India, We Serve For The Food, Pharmaceutical, Personal Care, And Other Processing Industries. At Universal Engineers, Our Aim Is To Cater A Wide Industry Base With Both Standards And Special Purpose Machines (spm). Our Products Have A Unique Design With Core, Latest Technologies That Ensure Good Productivity And Cost Benefits. Weve Been Designing And Engineering The Equipment To Meet All Processing Requirements Effectively. Also, We Custom Built To Match Your Specifications And Unique Applications. Continuous Improvement, Integration And Innovation Are The Key Factors At Our Company.

Product Range

With A Broad Line Of Industrial Processing Equipment, We Serve A Large Customer Base Throughout The India. It Is Designed For High Efficiency, Good Production Rate And Specific Applications. The Complete Product Range Is Listed Below:

Packaging and Food Processing Machines

- Industrial Kettles ✓
- Filling Machines ✓
- Canning Equipment ✓
- Bottling Equipment ✓
- Fruit Juice Extractors ✓
- Can Sterilizers ✓
- Rotary Vegetable Washing Machines ✓
- Commercial Food Dehydrator Machines ✓
- Pickle Making Machine ✓

Power Packs

- Hydraulic Power Pack Unit ✓
- Electric Hydraulic Power Pack ✓
- High Pressure Power Pack ✓
- Special Purpose Machines (SPM)** ✓
- Industrial Fillers & Feeders** ✓
- Aluminum Foil Re-winder** ✓
- Papaya Cubes Equipment** ✓

OUR PRODUCTS

Industrial Kettles

Flow Wrap Machine

Manual Tray Sealing Machine

Bottling Equipment

Canning Equipment

Pickle Making Equipment

Fruit Juice Extractors

Rotary Vegetable Washing Machines

Can Sterilizers

Dehydrator Machines

Industrial Filler & Feeders

Aluminium Foil Rewinders

Filling Machines

Papaya Cubes Equipment

Industrial Canning Restorts

Beading Machines

Potato Peeler Machine

Milling & Grinding Tools

Sieving Machine

Custom Design & Fabrication

We Keep Up With Both Standard And Customized Design, To Meet Every Need Of Our Customers. The Flexibility And Versatility Has Been A Key Factor That We Have Been Manufacturing Advanced, Custom Fabricated Processing Equipment For Various Industries Like Food, Pharmaceutical And Chemical. Our Core Facility Is Adequate To Produce An Unparalleled Variety Of Industrial Kettles, Pouch Packaging Machines, Industrial Fillers And Feeders Etc. We Bring Custom Designed Processing Equipment To Meet Any Specific Processing Need. Also, We Serve For Big As Well As Small Processes And Put Our Engineering Talent, Inventiveness And Creativity To Meet Your Processing Goals.

Product Portfolio

We Have A Broad Product Portfolio That Shows A Mix Of Advanced Specific Machines, Core Technologies And Current Industrial Trends. Our Offered Machines Are Based On Core Engineering, Customers Requirements And Global Standards. As A Result, They Help Ensure Productivity And Cost-effectiveness In Any Process. The Major Machines We Offer, Are:

- ✓ Packaging Machines
- ✓ Food Processing Machines
- ✓ Power Packs
- ✓ Industrial Fillers & Feeders
- ✓ Special Purpose Machines (SPM)

Additionally, we offer Pouch Packaging Machines Spare Parts.

Quality Assurance

Committed To The Best Possible Quality, We Do The Right Thing In The Right Way, In Order To Surpass Our Customers Expectations. Also, We Are Dedicated To Supply Durable And Dependable Products Of The Highest Standards. Our Diligent Teamwork Meets All The Regulatory Requirements And Norms. Further, We Constantly Improve Our Approaches And Goals For A Better Process. We Focus On Continual Improvement In Our Processes As Well As Procedures To Increase The Quality, Durability, And Customer Satisfaction. For Us, All The Customer Requirements Are Foremost And We Work Accordingly.

Type : Food Processors
Installation Type : Free Stand
Material : tainless Steel

Steam Kettles

Cooking Kettles

Steam Jacketed Kettles

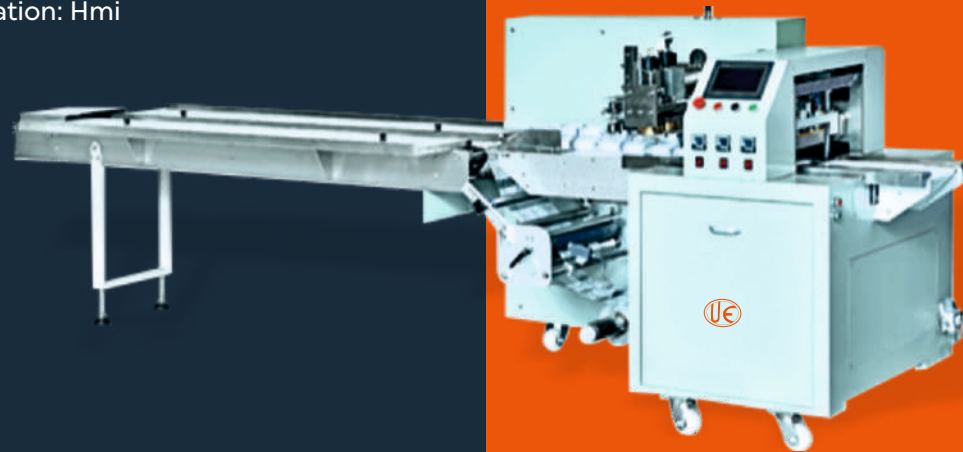

Flow Wrap Machine

Features:

- ✓ Low Maintenance
- ✓ Flawless Performance
- ✓ Low Power Consumption

Specifications:

- ✓ Driven Type: Electric
- ✓ Material Type: Solid
- ✓ Operation: Hmi

With The Assistance Of Our Diligent Team Of Professionals, We Are Engaged In Offering A Wide Range Of Flow Wrap Machine. Manufactured In Strict Compliance With The Set Industry Standards, These Machines Are Known For Their Sturdy Construction And High Performance. Flow Wrap Machines Are Useful For Packaging Solid Products Like Bread, Biscuits, Cakes, Candy, Chocolate, Instant Noodle, Soap Bottle Stationery, Disposable Syringe And Automobile Parts.

Lug Cap Sealer (Pneumatic)

Vacuum Filling Machines

Green Chilli Cutting Machine

PP Cap Sealers

Dicing & Cubing Machine

Crown Corkings

Hydraulic Juice Press

Commercial Screw Type Juice Extractor
(Helicoidal Juice Extractor)

Raw Mango Cutting Machine

Patato Piller

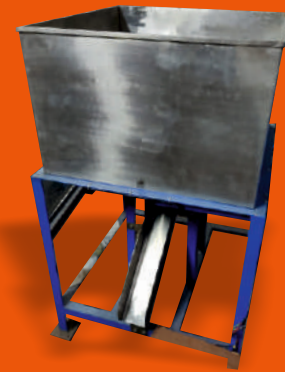

Bubble Washer Conveyor Type

Fruit & Vegetable Washer

**Lemon Cutting
Machine**

Pickle Mixer

**Steam Gererator Boiler
(Wood/Coal/Diesel/Gas Fire)**

Canning Retort

Dryer

Dryer 48 Tray

Dryer 96 Tray

**Steam Generator
Diesel Boiler**

**Commercial
Food
Dehydrator
24 Tray**

Vibro Shifter.

**Duble Jacket
Steam Kattle**

**Fruit & Vegitable
Pulvrizer**

**Dubble Cone
Blnder**

Fruit Crusher

**Fruit
Mill- Crusher**

Fruit Pulviser

Pulper-1

**Steam Double
Jacketed Vessel**

Piston Filler 3

**Steam Double
Jacketed Tank**
