About Us

There is no denying of the fact that the quality of fabric solely depends on the yarn, i.e picking up the best yarn will definitely result in superlative fabrics and garments. If you are looking for a trusted destination having a spectrum of textile products, your search ends at SUNIL COTTON COMPANY. The enterprise, established in the year 1996, is a legendary manufacturer and exporter of a wide range of textile products ranging from raw cotton, yarn, knitted garments and woven garments. The professionally managed company is administered by highly experienced brains of the discipline having decades of experience in the similar domain.

The company and its group hold strong roots in the textile world. We are known for fetching both export and domestic orders with assurance of quality and time. Our manufacturing capabilities and team of experts enable us to develop fabrics in compliance with the specifications intimated by the customers. We are regularly exporting our products in the markets of Hong Kong, Korea, Bangladesh and Dubai.
