

RETON SYRUP

Ayurvedic General Tonic • Vitalizer • Brain Tonic • Antioxidant Support

An Ideal Tonic for Whole Family

A balanced herbal formulation designed to support general strength, well-being, healthy growth and recovery.

Product Overview

Reton Syrup is a combination of vitalizer, brain-tonic and antioxidant herbs. It is formulated as a general tonic for all age groups to support body tone, growth and development, and health maintenance.

Key Benefits

- Maintain the general strength of the body and mind.
- Rejuvenate body tissues and support quality of life.
- Support growth and development in weak children.
- Useful as supportive care for common geriatric concerns.

Indications

- Weakness and general debility
- Stress and anxiety

Dosage

Children: 5 to 10 ml three times a day with milk.

Adults: 10 to 15 ml three times a day with milk, or as directed by the physician.

Natural Support for Appetite & Well-being

Reton Syrup harnesses the power of Ayurvedic herbs to support appetite and well-being, making it a restorative tonic during periods of weakness or recovery. Its balanced formulation is intended for both children and adults, supporting daily nutritional needs and healthy growth.
