About Us

Founded in the year 2013, Cleghorn Motor has earned a top-most position in the domestic market by manufacturing and supplying unmatched quality marine equipment. The comprehensive range includes 6 Seater Speed Boat, Water Boat, Marine Accessories, Paddle & Speed Boats, Water Sports Equipment and many more. Premium grade components are used to manufacture the marine products which improve their overall performance and operational life. We have a well-equipped production unit in Kolkata where all the goods are designed & developed under the supervision of the experts. The team members use the latest technologies and machines to produce the marine equipment as per the industrial standards.

Our team is headed by Mr. Krishna Kumar Sha (Proprietor) who has been working in this industry for the past many years. His excellent knowledge and entrepreneur skills enable the organization to grow at a rapid pace in the competitive market. Our mentor keeps motivating the team members so that they can perform their best and achieve the organizational goals. By strictly following his directions, the corporation has successfully earned a noted position of manufacturer and supplier.
