

SHREE BHAGWATI

# Wide Range of Processing & Packaging Machinery

## 12000+ Installations

**Shree Bhagwati**

World leader in the design and manufacturing of automatic instruments for the processing machinery and packaging machinery for various industries.

Our technology partners are from Italy and Germany.

**GERMAN  
TECHNOLOGY**

An ISO 9001:2015 Company

# AUTOMATIC GRANULE BOTTLE FILLING PACKING SYSTEM

Suitable for Nuts, beans, peanuts, snacks, cashew, sugar, rice, beans, condiments, feed, etc [MORE >](#)

①

Automatic UV Cleaning  
Sterilization Machine

②

Double Turntable High  
Speed Grain Filling Machine

③

Metal Detector  
And Eliminate

④

High Speed  
Capping Machine

⑤

Aluminum Foil  
Sealing Machine

⑥

Automatic Double Heads  
Labeling Machine

# AUTOMATIC POWDER CANS / TINS / BOTTLE FILLING SYSTEM

Suitable for Milk Powder, Protein Powder, Nutritional Powder, Meal Replacement Powder, Etc. [MORE >](#)

①

Automatic UV Cleaning  
Sterilization Machine

②

Automatic Powder  
Weighing Filling Machine

③

Automatic Vacuum  
Can Seaming Machine

④

Laser Printer  
Weight Detection

⑤

Automatic Empty  
Cans Cleaning Machine

⑥

Automatic Plastic Lids  
Pressing Machine

# PHARMACEUTICAL ISOLATORS AND CONTAINMENT SYSTEMS

## A VHP Validation Approach

to a Multi-chamber,  
Complex Filling Line

The Future of Small Scale  
STERILE FILLING

We are specialists in the supply of isolators, clean room, material handling and ancillary equipment for processing powder and liquid substances.

API / Bulk Drugs | Formulation / OSD

Injectable / Sterility | Material Handling

Process Equipment

We are a **German** manufacturer, **developed using a team of** experienced professionals and the latest **advanced technology**.
