About Us

We at Ganauria Industries LLP are a reputed manufacturer and supplier of wide product range such as GI Modular Box, PVC Round Conduit Pipes, Double Pole Miniature Circuit Breaker, Electric MCB Distribution Boards, etc. On account of our innovative pursuits, we have been masters in the German Technology system of Blow Moulding Water Tanks, and therefore, we have grown multifaceted in products. We can proudly say that the customers whom we have served till now have become our loyal customers. The production facility can boast the most advanced technologies and testing processes and is guided by the very strict quality control standards. We strive for unification and progress and continue doing everything to be the best. The guidance of our mentor Mr. Saurabh Mittal, has enabled us to set a benchmark in the respective domain and grow at a tremendous pace.

Our company, Ganauria Industries LLP, is located in Delhi, India, and we utilize advanced techniques of manufacturing and rigorous quality control processes to ensure international standards are met. It is our superior quality electrical components such as LMS PVC Conduit Pipes, Electric PVC Pipe Long Bend, MS Fan Box, PVC Surface Junction Box and many more products that has made us a reputed name in market. The team of our skilled professionals would deliver specific solutions that cater to the precise needs of our clients, with a promise of durability and reliability.
