About Us

Established in 2001, RK Enterprise, is a well-known trader and supplier of a high-quality selection of Iron and Steel Products and is based in Madhya Pradesh, India. Our collection includes HR Coils, Mild Steel Pipes, 3x3mm Sail TMT Bars, Steel HR Sheets, etc. We have partnered with some of the top vendors in the market to source these products, and we are legally recognized as a quality-driven entity in the market. All of the products are offered in a variety of specifications, measurements, and finishes. We have always completed all the processes on schedule by relying on our knowledgeable and experienced employees. They help us keep good relations with both our clients and our vendors. Our ability to amass a sizable customer base across the nation is a result of their meticulous efforts. We are also able to quickly meet the expanding client demands thanks to our extensive distribution network across the nation. Our enormous development and success over the years have been made possible by our mentor, Mr. Ravi Airan, and his skillful leadership. In the good times and bad of the industry, he has been a great inspiration.

Customers can purchase goods from R.K. Enterprises, including equipment supplied by us such as the Mild Steel Flats Bars, 40 Feet Sail MS Channels, Mild Steel Chequered Plate, Mild Steel Plate, etc. We have constructed a cutting-edge facility in Indore, Madhya Pradesh, India to guarantee that testing and other activities are carried out perfectly. Thanks to the assistance of our qualified team, we have successfully handled our commercial activities and developed a solid reputation for ourselves in the Indian market. We run our business adopting customer-centric strategy, which has assisted us in growing the market and securing a strong position.
