We are pleased to introduce our company 'MISHKAT AGRO INDUSTRIES PVT. LTD.', manufacturer of premium quality Wheat Flour based in Dahod, Gujarat. We are manufacturer of various wheat flour products such as CHAKKI FRESH ATTA, MAIDA, SEMOLINA (Rava / Suji), SORTEX WHEAT, MULTI GRAIN ATTA and even BESAN under the brand name MAIPLENERGETIC.

Quality has always been our driving force. To ensure the best quality, we focus only on procuring the finest of raw materials. The procurement is done by special team of experts having vast industry experience. These raw materials are then tested under stringent parameters before the production begins. With further physical, chemical and microbiological tests, at different levels of production, we ensure the perfect quality products.

Our SAP operated 'state of the art' flour mill makes branded wheat flour products since 2011 and is complying to various Industry certification such as ISO 9001:2015, ISO 22000:2005, HACCP, cGMP and HALAL for food products manufacturing.

Our Mill is equipped with modern equipment's and quality control Lab, which ensures continued quality and highest hygiene standards at all levels of the production process. Our Company vision is to provide the finest quality food products to the end consumer consistently. Stability of our products quality is provided by continuous quality control, our experienced staff and by accumulated know how throughout years. We keep our products in best conserve condition for the preservation of nutrients, texture, and flavour of the flour.

Our plant and our products have been Audited by Clients both local & overseas and Third-Party Labs on several occasions.

MAIPL production capacity is approx. 250 M Ton and of which 120 M Ton/Day is dedicated for manufacturing Chakki Fresh Atta. Our product packaging size varies from 500 gm to 50 kg but this can be tailored to Clients requirement.
